**Coastal San Pedro Neighborhood Grant**

Just a quick update on the status of the Coastal San Pedro Neighborhood Council Neighborhood Purpose Grant that we applied for at the beginning of this month. On Monday, I attended the General Meeting where the grants were considered. The purpose of the meeting was for the General Membership to discuss the purpose of each request and to make a recommendation to the full board as to what they feel the best use of the appropriated funds would be this year. After briefly presenting our request, most of them were hearing it for the third time, I was pleased to hear that the board was very favorable to granting our request. In the end, the members unanimously agreed to grant an amount of $5,800 to help us purchase two chrome books for each classroom! Thank you Marisa Vattuone. And WAY TO GO PFO!
